Greetings!

I am writing to ask your organization to sponsor next year's 2016 Evergreen International Conference, April 20-23, 2016 in Raleigh, North Carolina which is being hosted by NC Cardinal, North Carolina's Evergreen ILS Consortium.

Evergreen is an open source library management software that is used by over 1000 libraries around the world. Over 200 librarians, administrators, developers, and other staff will be present at this event. The theme for this conference is *"A New Decade Takes Flight"* as the Evergreen community celebrates its 10th anniversary in 2016.

We rely on the support of sponsors to keep the registration costs affordable. We hope to offer a reception, breakfasts, and one or two social events.

Sponsors enjoy many benefits, including full recognition in promotional materials and wide exposure among conference attendees. This year's conference offers:

> Level sponsorships (4):
> - Platinum $4000
> - Gold $3000
> - Silver $2000
> - Bronze $500
>
> Function sponsorships (7):
> - $3500 for reception
> - $1500 for the Hackfest
> - $2000 for keynote speaker
> - $1600 for A/V session recording
> - $1000 for breakfasts
> - $800 for snack breaks
> - $500 Badge Holders

Details about each of these opportunities is available on the conference website, at
http://evergreen-ils.org/conference/eg16/

If you are interested in sponsoring the 2016 International Evergreen conference, please reply to our sponsorship committee (contact information below) as soon as possible. To be included in the conference materials, all Sponsorship/Exhibitor Application & Agreements must be received by **February 1, 2016**. We will contact you to coordinate sponsorship details. If none of the sponsorship options meet your needs, we are flexible.

I hope you will be able to sponsor the 2016 International Evergreen conference. We look forward to hearing from you soon. Please contact us at **2016EIC@gmail.com**.

Regards from the Sponsorship Committee:
Susan Craven, Davidson County
Jennifer Dale, Davidson County
Jonathan Furr, Forsyth County
Lise Keppler, Forsyth County
Carine Mattix, Appalachian Regional
Tanya Prokrym, State Library of North Carolina
Wayne Hunt, Franklin County
